

Marine P&I Insurance

Protection and Indemnity for Shipowners (P&I)

A member of the OCBC Group

Marine P&I Insurance

Marine P&I Great Eastern providing P&I insurance to small and medium sized commercially operated vessels, large yachts and specialist craft.

The Product

Our dedicated team and claims handlers provide a flexible approach to the varying needs of assureds to provide underwriters with the tools to effectively insure vessels.

Risk assessments take many forms and are designed to assist assureds in many areas of operation on a wide variety of vessels:

- Vessel Surveys are carried out by independent or in-house surveyors, arranged by our Survey Department and designed to provide an impartial view of the vessel and its operation.
- Office Reviews are invariably undertaken by in-house surveyors, arranged by our Survey Department and designed to provide a third party viewpoint on the management of fleets.
- Cargo Surveys of all kinds are carried out by independent surveyors and can be arranged through our local correspondents, under the guidance of our claims handlers, if appropriate.

General loss prevention advice is available upon request from our in-house teams, supported by specialist expertise on an 'as required' basis from known contacts Worldwide.

Our loss prevention aim is reduce the cost of insurance to assureds by preventing claims where possible and limiting the cost of claims when they do arise by making our underwriters and the assureds aware of the risks to which they are exposed.

About Us

PT Great Eastern General Insurance Indonesia is majority owned by the Great Eastern Group and PT. Suryasono Sentosa. Great Eastern Group is a member of the OCBC Bank group, the longest established Singapore Bank. The group financial strength and credit ratings is "AA-" by Standard and Poor's.

PT Great Eastern General Insurance Indonesia provides comprehensive general insurance products for both corporate and personal insurance needs through a network of branch, marketing and sales offices located throughout the country that supports products through bancassurance, agents, brokers and direct channels. We are committed to providing our customers innovative products and services to meet their varying needs offering everything from basic covers to more complex insurance solutions for Marine, Engineering and Construction, Property, Motor and Liability classes and other general insurance needs.

Marine P&I specialises in the underwriting of insurance for owners of small to medium sized merchant ships (customarily below 10,000 GT), specialist craft, and towing vessels operating in the region. As part of an independent Insurance company, clients are secure in the knowledge that the fixed premium they pay will not be subject to unbudgeted additional premium charges and that claims and underwriting are driven by the provider and not by reinsurers.

We are able to offer fixed cost insurance, whilst maintaining the tradition of mutual P&I insurance providing a high level of service to our clients.

Profitable underwriting underpins the company's mission to develop long term client relationships by avoiding the steep cyclical corrections that are frequently levied on premiums by the mutual P&I insurance market.

Cover	Preferred Vessels
<div>Including legal liability towards:<ul style="list-style-type: none">• Cargo• Collision• Property damage• Crew• Pollution• Other claims (Wreck Removal, General Average, etc)</div>	<div><ul style="list-style-type: none">• Dry Cargo vessels• Tankers (under 10,000GT)• Self-Propelled Oil Barges• Offshore Vessels and Specialist Craft• Tugs and Barges• Harbour craft• Superyachts</div>
