

## Batik Day 2 October

Every 2 October, Indonesia celebrates National Batik Day. GEGI staff in all branches joined the celebration by wearing various batik motives and colors to the office. Among many photographs, the Samarinda team gave the most interesting photos. The team wear batik while posing happily next to their bicycles. Team Samarinda are very fond of cycling, which is influenced by its branch head, Bapak Johannes Gunawan, 58 years old who always campaign the benefits of cycling for healthy and happy life.
